

Green Building Alliance

The Green Building Alliance is a Team of SLO Green Build members with the specific purpose of supporting businesses in the design and building professions through networking and education. Join us the first Wednesday of each month.

Green Building Ordinance

Reaching for Energy Efficiency

Andy Pease, AIA, LEED AP, will present an update on the County Green Building Ordinance, with a special focus on "Reach Codes", supplemental building codes that require reaching past Title 24 in energy savings. The discussion will include examples from other areas throughout the State and how a reach code might work here in SLO County.

County Building Department staff will also be on hand to answer questions and receive feedback.

Wednesday May 18th 5:30 – 7:30 PM

- Socializing 5:30-6:00
- No Host Bar

The Alliance meets at **The Elks Lodge** 222 Elks Lane San Luis Obispo.

Interested parties may attend two meetings before joining SLO Green Build.
